Patient/Visitor Instructions – Validation Codes

Validation codes must be entered into the paystation upon arrival at the parking facility

Step 1: Park and secure your vehicle

Step 2: Proceed to the nearest paystation

Step 3: Select the **Code** or **VLDTN** icon on the home screen

Step 4: Enter the **numeric validation** code and select **Next** or **Confirm**

Step 5: Enter the **license plate** number and select **Next or Confirm**

Step 6: Customers that need a receipt, can select their preferred option

*Customers are not required to leave a receipt on their vehicle

For more information about parking validation, please contact: Transportation@ucsf.edu
